DETECTO MECHANICAL PEDIATRIC SCALES

These scales are engineered with the active baby in mind and are built with the uncompromising quality you expect from Detecto.

The Detecto brand name, known around the world, assures you of a reliable, accurate scale for pediatric weighing. The Detecto models 450, 451, 459, and 4951 offer you a choice of pounds, kilograms or both. Lightweight and attractive, these models feature a heavy-duty, rust-resistant understructure and dual-reading, die-cast beams, viewable from either side of the scale. They offer easy-to-clean polystyrene trays and a compact footprint.
