

PYRAMID of POWER

Ship Your Parcels on Detecto's Full Line of PC-Compatible Scales.

AS-350D

Our most versatile intelligent scale. Weigh letter mail accurately or ship 150 lb parcels, the AS-350D will meet all your mailroom and shipping needs. Durability and built-in display, you have it all in a small space of 12" x 14".

AS-410D

Our most popular unit, the AS-410D, with a 150 lb capacity and 18" x 18" platform, is the right size for all your parcels. Just connect this scale to your computer and take advantage of the most dependable scale on the market.

AS-420D

If you ship big boxes, you'll appreciate the extra large 24" x 24" deck and 200 lb capacity of the AS-420D. No need to balance your large parcels on this scale. With all the interfacing capabilities of our smaller intelligent scale bases, the AS-420D is just right for shipping departments or warehouses.
